## Stephen Lewis + David Webb april 22<sup>th</sup> to 25<sup>th</sup>

### About the artworks

Stephen Lewis and David Webb explore the relationship between their work in terms of colour, shape and scale. Taking subject matter from a wide range of sources, both could be said to *assemble* in their chosen medium; something of the language of collage - hard edges, silhouettes; then lyrical and strange forms.

### About the artists

**Stephen Lewis** is a sculptor and founding member of A.P.T. Studios. He studied at Manchester Polytechnic and later at the Jan Van Eyck Academie in Maastricht, the Netherlands. He has exhibited widely in the UK and Europe and has works in private and public collections in the UK, Norway, France, Luxembourg, Germany, the United States and Canada. *(image right)*
